from Therese Morrissey: Hello, I am an Advance Care Planning Social Worker with Dean Health Plan in Madison, WI

from Susan Moussi: As a tax practitioner, having built relationships with clients over many years, this is my current focus of conversation with my clients. Personal experience taught me the importance of these conversations. Also active in Ohio End of Life Options

from Patty Webster: Any questions for Laura? Pop them in chat.

from Jane Conrad: Laura - how can we watch your series?

from Kristin Cronin: Please chat in your questions, raise your hand or unmute yourself to ask :)

from Laura Pilati: register on our website--it's free! <https://honoringchoices-va.org/learn/events>

from Laura Pilati: thanks all!

from Sheila Clark: Getting the word out. CHAPCA is also working with a group in SAC to do the same. Our website is receiving many questions and calls.

from Susan Lawrence: A new blog post on my website. Facebook. Twitter. Possible Zoom call with friends/family to finish directives.

from Philip Geiger: Planning a series of webinars around NHDD with community partners.

from Erin Collins: What Matters Most Virtual Workshop Series with various TCP Guides; January to April, culminating in 2nd Annual Drafts and Directives on 4/16

from Joan Lane: Really don't know yet - something on social media, and urging our health center providers to talk with their patients

from Jessica McCune: Before I Die Boards in the community, lectures, showing movies about loss/grief/death with community talk back/lecture

from R Gaddis: At the VA our ACP workgroup is developing a toolkit for all of our social workers to utilize for NHDD.

from Rebecca Parkes: Reaching out to our OB population with information on the importance of ACP - clinics and community resources.

from Michael Bacon: Zoom class on ACP for our outpatient oncology population

from Ina Stern: We're holding our first VIRTUAL TCP workshop on April 13 in Chapel Hill

from Andrew Dickson: On the fence, nothing planned yet. Lost momentum in the last year.

from Amanda Meier: We are concentrating on solo agers and our local Senior Centers with ACP presentations followed by open house style events to help answer questions and motivate people to get started.

from amanda fierro: zoom panel for residents & families with campus social work team and medical director- maybe next year we can do it in person!

from Jane Conrad: reaching out to local libraries with link to resources and offer to do presentations

from Ronnie Genser: I will be speaking to B'nai B'rith International - Achim Gate City Lodge and invited guests on Sun Apr 11, 2021 and will incorporate NHDD in my presentation.

from Sonya Bergeron: Writing an article for the church newsletter. Giving a sermon about end-of-life planning

from Kimberly Heestand: Team with local attorney

from Sandra Lauer: Tabling event with Medical-legal partnership for employees

from Karen Shelton: Offering services to health care workers

from Sandy Ulf: Radio and news paper, "I've got mine and Before i die I want to event

from Stephanie Garvey: social media push, add information in monthly eblast, internal push to complete directives (as you said, be the example)

from Craig Knisley: I am thinking about the different things that I can do to help spread awareness of healthcare decisions

from mindy rickard: In Northern Colorado we are planning to do virtual events to reach healthcare employees and the general public.

from Therese Morrissey: Zoom advance care planning presentations to health plan members and employees, focus information on new/pregnant mothers in health clinics

from Jessica McCune: City and County Proclamations for NHDD

from Joan Lane to host & presenter: Patty,, can you please type up the ideas in chat and send out to all of us?

from Joan Lane to host & presenter: Thank you!

from Oliver Markowitz: I'm particularly interested in early conversations/ACH by and for LGBTQ folks.

from mindy rickard: Would love to know more about your toolkit at the VA???

from MaryKay Brady: Holding Death Cafes jointly with local library; followed by discussion what is palliative care and hospice care

from Carla Sutter: We are going to do a coordinated effort with several partner organizations in AZ and do a marathon webinar day with all organizations able to take a 30-45 minute slot on a different topic. Additionally focused on "Take the conversation to work" day and sharing a toolkit for helping to get our own organizations up and running with info about advance care planning and completed documents

from Philip Geiger: We created a short animated AHCP video that we are promoting on local cable tv access: <https://vimeo.com/410000253>

from Philip Geiger: and social media.

from Philip Geiger: This video is available for anyone to view and share.

from Jessica McCune: Thanks; I need to jump off. Jessica

from Philip Geiger: HOPEGives. Confidence & Peace of Mind through Advance Health Care Planning

from Susan Lawrence: Caregiver: A Love Story is excellent!

from Philip Geiger: Amazing movie.

from Erin Collins: What Matters Most Workshop Series January to April:  
<https://thepeacefulpresenceproject.org/events> (free)

from Christine Litteken: Hi Patty! Shoot, my time, I missed it :(

from Christine Litteken: Can't wait to listen back if you plan to share!

from Therese Morrissey: Will this powerpoint be sent out to participants?

from Mollie Thomas: Thank You!!!!

from Susan Lawrence: Thank you!

from Mollie Thomas: Thank You

from Kristin Cronin: Yes, the powerpoint will be sent out on the call today

from Philip Geiger: Thank you.

from Andrew Dickson: Good stuff. Thanks for all you do.

from Christine Litteken: Thanks Kristin!

from Therese Morrissey: Thanks!

from Monica Delles: Thank you!

from Debbie Colberg: Thank you!!

from Oliver Markowitz: Thank you!
